Just a reminder that our second Parents Evening session is taking place on Wednesday 8th November from 3:00pm – 6:30pm in the School Hall. Unfortunately the deadline has now passed for pre booking appointments. If you still have not booked your parents evening slot, please drop by or alternatively ring the office to arrange a time. Please ensure you do so as soon as possible to help give teachers sufficient time to prepare.

Scholastic Orders

In order to support home learning, we have teamed up with Scholastic to offer you the opportunity to buy some workbooks which will help your child to learn at home. Copies of each book are available to view on parents evening, along with order forms detailing the content of each book to enable you to place your orders. Hard copies are also available in the school office. All of this information can also be found on our school website under the 'Learning at home' tab.

Please be aware that orders will be placed early December and therefore please ensure you return your order forms together with fully payment by Thursday 30th November. There will be further opportunities to purchase in the New Year.

Charity Events Reflections

Hughenden's Macmillan Cake Sale

We would like to express a huge thank you to everyone who came to our Macmillan High Tea event last Friday. It was lovely to see so many people. We are delighted to inform you that we managed to raise £350.00 which will be split 50/50 between the charity and school. It wouldn't have been possible without your kind generosity. Well done to the Year 6 team for all their hard work!

'On Friday 30 September, Hughenden Primary School had a cake sale to raise money for Macmillan. Year 6 baked some delicious scones, marvellous muffins and tasty cupcakes for the whole school to enjoy as well as icing and decorating them. Not only were there cakes baked by year 6 but there were also cakes bought in by the rest of the school and tea and coffee for the grownups to enjoy as a sit down tea.

Macmillan supports people suffering from cancer and needing support with daily activities and housework. The nurses are sent out to those needing help and stay with them until they are no longer needed for the day, week or even forever. Although they are sent to support people with cancer they don't cure them, the doctors and nurses cure them and the Macmillan nurses support them, making their life easier.

Cancer survival chances are rising, and at the moment, roughly 2.5 million people are fighting the awful disease and being treated. With the support of our coffee morning and hundreds like it, there are new treatments and effective care packages that are helping Mac Millian support people one case at a time'

Year 6

Harvest Festival – One Can Trust and Mersey Ships

On Thursday 18th October the children from Hughenden Primary School walked across the fields to attend the annual Harvest Festival that was held at St Michaels and All Angels Church. The Head Boy and Head Girl introduced the different festive items. Year 4 children read their Autumn poems and information writing about Harvest and our supported charities: One Can and Mersey Ships. Each year group from Early Years Foundation Stage to Year 6 sang a Harvest Song led by Mrs Sumner, the Music Teacher. These included Cauliflowers Fluffy, Autumn Days, I'm A Little Hedgehog and Harvest Samba.

Both children and adults enjoyed guessing the names of the colourful fruit and vegetables that Rev Keith Johnson brought along for his talk about giving not just a Harvest but throughout the Year. The lucky children, and one parent, that guessed the names of the fruit or vegetable were happy to take away and eat the item.

Mrs O'Malley said a big thank you to all the children and parents who had donated boxes of food items for the One Can Trust and 87 toothbrushes and 49 tubes of toothpaste, as well as £20.00 cash donation, foreign coins and stamps for Mersey Ships. The school will continue to be a collection point for the above items for Mersey Ships.

KS2 Technology Workshops

Last week Next Thing Education visited KS2 to deliver some fun and exciting technological workshops, bringing all the newest and latest technology with us such as iPads, Mac Laptops, Segway's and much more. They teach subjects across the curriculum and excite children through interactive robots and many other all types of technology. Photos will be available to view on our website in due course.

Premier Education Group Oxford, Buckinghamshire and Tring - £200.00 Voucher

We are excited to inform you that Mrs Duthie, one of our Foundation parents entered into a competition with Premier Education Group Oxford, Buckinghamshire and Tring online and has successfully won a £200 voucher to invest in sports equipment for the school. As I am sure you'll agree, all the equipment purchased will be of huge benefit to all the children and we would like to thank Mrs Duthie for her efforts and time taken to apply.
