

Fun Phonics activities

Make a flower garden with phonic sounds- write the digraph in the middle, words with the digraph on the petals.

Extension- Write a sentence on the stem.

Can you make flowers with all the digraphs you know?

Write the words (with digraphs or tricky words) on the floor (somewhere you are able to write with a chalk) or use a big piece of paper with the words. Throw a bean bag or something else suitable on a word, say the word and jump on it.

Extension- Can you use the word in a sentence?

Play with a partner- Write your words (with digraphs or tricky words) under a cup. Ask your partner to close eyes and you hide an object under the cup. Partner opens eyes and guesses the cup the object is under by reading the words.

Fun Phonics activities

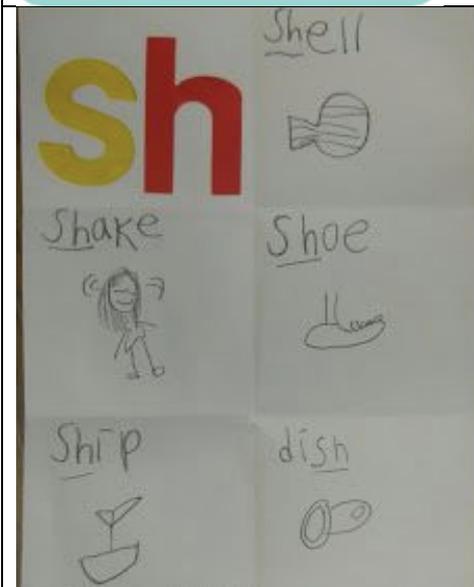

Write words on paper, swat the words and read.

Extension- How many words can you swat in 1 minute?

Write words on cups, make a pyramid and knock them down. What words did you knock down?

Extension- Write sentences with the words.

Make a digraph poster.

Fun Phonics activities

Make words with magnetic letters or use letter stamps.

Caterpillar Word Family Activity

Make a word family caterpillar.

Write objects with different materials- beads, beans, pompoms etc.
