

Hughenden Primary School

Working together, Empowering Lives, Enriching Minds

19th December 2018

Dear Parents,

We would like to say an enormous thank you for buying the books that your child has been using to enrich their learning during the Autumn term. These quality texts have been fundamental in supporting and consolidating their learning across the whole curriculum.

In the Spring Term, we will be issuing the title of the first book that your child's class will be using to support their learning. We will ensure that you are aware when each book is being used by posting a message on your child's eschool page. Some classes are continuing to use books from the Autumn list and will commence with the Spring collection when they are ready.

Also if you are thinking of recycling your books, Hughenden Primary School would be very appreciative of your donation. We will make sure your gift is recognised by an inscription on the inside cover of the book

The following year groups will start the book listed below in the Spring Term. If your child's class isn't listed, they are continuing with their previous book.

Y3 - Pebble in my Pocket by Meredith Hooper and Chris Coady

Y4 – Gregory Cool by Caroline Binch

Y6 – Sheep Don't Go To School edited by Andrew Fusek Peters Illustrator, Markéta Prachatická (Bloodaxe Books)

Thank you for your continued support.

Yours sincerely
