Wednesday 4th September 2024

Dear Parents,

It has been lovely to welcome all the pupils back today and they have all had a great first day. I would like to extend a warm welcome to all our new foundation families who have joined our school community, and also our new families who have joined us across other years. We are thrilled to have you on board and look forward to working closely with you to ensure a successful and fulfilling educational journey for your children.

Uniform

Every pupil looked exceptionally smart on their first day and this was celebrated with them all during this morning's assembly. A high standard of uniform is equally important for PE lessons as well. Teachers will be sharing the information regarding PE days over the next few days. Further information regarding uniform can be found on our school website. ([Hughenden Primary School - Uniform](#))

New uniform has just been delivered this afternoon and can be collected from the school office.

Behaviour Policy

Following a staff and governor working party last academic year, as a school, we have updated our behaviour policy. As a school, we are committed to creating an environment where exemplary behaviour is at the heart of productive learning. Everyone is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same.

Positive behaviour results from excellent relationships between adults and children and a well-planned and delivered curriculum that stimulates children to learn, ask questions, debate and challenge themselves. Behaviour for learning is behaviour which encourages learning to take place. Positive behaviour needs to be taught, modelled, expected and praised. Poor or unacceptable behaviour needs to be challenged.

Children learn best and feel safe and secure in an ordered environment. This can be achieved when expectations of learning and behaviour are high and behaviour management techniques are consistently applied throughout the school by all members of the school community.

The Aims of the policy are:

- To maintain high standards of behaviour and learning
- To ensure that there is a collective understanding of the school's approach to managing behaviour
- To help children to develop life-skills including self-regulation and to recognise that every action has a consequence
- To ensure that there is a consistent approach throughout the school community

These updates have been shared with the staff and pupils and the policy will be shared with you and also available on the school website.

We will continue to use Class Dojo to reward positive behaviour.

Attendance

Punctuality and attendance are key to ensure your child continues to develop the necessary skills and knowledge to progress both academically and socially. We understand that illnesses do happen, and if for any reason your child is absent then we would appreciate early notification of absences by email, in person or via telephone. The attendance email is: attendance@hughendenprimary.co.uk. Please do ensure we are notified no later than 9am.

The Kids Lunch Company

The children enjoyed the food from the Kids Lunch Company and the first lunch service ran smoothly. As a reminder, if your child has any dietary requirements, you must notify The Kids Lunch Company using the Specific Diet form and send it to them, all the details are on the form. This has been emailed out to parents already and additional copies are available from the office. This is important to ensure all requirements are adhered to.

And finally,

We are looking forward to a great start to the new school year and hope you are to. As always, if you have any questions or queries then please do not hesitate to contact the school office (office@hughendenprimary.co.uk) or ask a member of staff in person.

Your sincerely,

Katherine Mann
