

# STAY SAFE ONLINE

**Tik Tok**

**12**

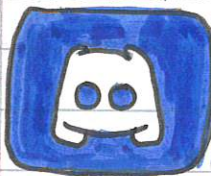

Tik Tok is this app that you can see other people be funny, sing dance e.ct. I think it is a 12 because there are a few inappropriate videos and swears words in them.

**Whats App**

**12**

Whats app is a way to chat with your friends without using up using too much data. I think it is 12 because you can put too much info

**Discord**

Discord is a way for gamers to chat to each other. I guess you just need to be carefull who you are talking to on there.

**Youtube**

**12**

Youtube is a bit like tik tok and there are sometimes gims on there. It is probably a 12 because it can be inappropriate and swears

**Roblox**

**E:10+**

Roblox is a game where you can play lots of mini games with your friends. It is probably rated this because you can sometimes have random people talking to you.

**Twitch**

**like**

Twitch is a way that you can play different games like fortnite but some of them games can be inappropriate

**Instagram**

**13**

Instagram is a way that you can watch people doing things like making things. It might be this age because you can put a hits too much info about yourself on.

**X-Box Party**

X-Box Party is a way for children and others to chat when they have x-boxes. If you are 18+ you don't have to have any one to help you set an account

## How to stay safe online

When your online you need to be very careful and check the ages for some of these things. This could be

because you might see things on apps that are not appropriate for you, also some people put a bit too much info about them selves and you just need to know
