Dear Parents and Carers

Year 2 Ukulele Lessons

We are pleased to inform you that from Monday 15 March, every child in Year 2 will be learning to play the Ukulele as part of their weekly music lesson.

Each child will have their own personal Ukulele to use and the lessons will cover different styles of playing, musical theory and practical skills.

In order for the children to get the best from this experience, we would like to offer the opportunity for the children to take a Ukulele home after each lesson so they can practise their new skills outside of their music lessons. Needless to say, the children would need to look after the instrument whilst in their care and remember to bring it back into school for lessons on a Monday afternoon. Please note that forgotten instruments cannot be brought in separately due to COVID.

If you would like your child to take a Ukulele home for the course of the lessons, please complete and sign the agreement below. If you would prefer not to give this permission, an instrument will still be available for your child to use during lessons but not to take home.

Alternately, if you would like to purchase an instrument for your child to keep, these are available at £20.

Please return the signed form to the school office by **Monday 15 March 2021**. Please let me know if you have any questions or would like any further details. Thank you very much.

Kind regards

Mrs Sumner
