

How to help at home

- Read regularly with your child and discuss the books that they are reading independently. Discuss words and phrases used in what they've read.
- Encourage them to complete their One Minute Maths work daily.
- Practise and learn weekly spellings. Write sentences using these words ensuring your child understands their meaning.
- Encourage an interest in the wider world.
- Discuss topical issues and help children form opinions.

Hughenden Primary School

Enrich, Empower, Ignite!

Curriculum Information – Autumn Term 2024

Teaching Team: Mrs Horrocks, Mrs Giorgetti and Miss Anson

Year 4

Dear Parents & Children,

At Hughenden Primary School we follow the National Curriculum 2014. This leaflet gives a brief outline of the knowledge and skills being learned in the curriculum in your class this term.

English-

The children need to focus on the following:

- Discuss favourite words and phrases.
- Use a wide range of conjunctions.
- Sequence events in a story.
- Using fronted adverbials.
- To use and punctuate direct speech.
- Edit a piece of writing using a checklist.
- Using cursive handwriting.
- Year 4 grammar - (National Curriculum 2014).
- Year 4 spellings - (National Curriculum 2014)

Maths- Number and Place Value, Addition and Subtraction, Measure and Multiplication

The children need to focus on the following:

- To order and compare numbers beyond 1000.
- To count in multiples of 6, 7, 9, 25 and 1000.
- Count backwards through 0 to include negative numbers
- To recognise the place value of each digit in a 4-digit number.
- Round any number to the nearest 10, 100 or 1000.

Science- The Digestive System- Animals including humans

The children need to focus on the following:

- Identify the different types of human teeth.
- Describe the functions of human teeth.
- Learn about how to protect our teeth through regular brushing.
- Conduct an experiment to see what happens if we do not look after teeth.
- To learn about what happens to the food that they eat.

In the rest of the curriculum we will be focussing on the following:

Computing	Online safety. How to get the best from search engines. Understanding that not everything on the internet is true! Identifying respectful and disrespectful behaviour online.
Art & Design	Creating patterns and structures based on ancient Greece.
PE	Football, team games, hockey & performing dances using a range of movement patterns.
Music	Earth - Hans Zimmer BBC Ten pieces
History	Who were the Ancient Greeks and what is their legacy to us?
PSHE	Families and relationships - How to be kind and respectful - Friendships – Stereotypes – Families across the world.
RE	Are all religions equal?
Geography	Rivers and understanding the water cycle.
