

How to help at home

- Read regularly with and to your child.
- Discuss words and phrases and talk about the story: *What does this word mean? What do you think will happen next and why? How do you think the character is feeling?*
- Use “Look, Cover, Write, Check” method to learn weekly spellings.
- Read and spell Year 3 common exception words and statutory words.
- Develop mental maths skills by practising number facts including learning times tables.
- Encourage your child to try to do homework independently.
- Visit the library and/or research online the topics The Victorians and explore the local area.
- Explore the natural world and encourage your child to ask questions.

Teaching Team: Mr Wyatt, Ms Warren and Mr Suchowierchi

Hughenden Primary School

‘Enrich, Empower, Ignite’

Curriculum Information – Summer Term 2024

Year 3

Dear Parents & Children,

At Hughenden Primary School we follow the National Curriculum. This leaflet gives a brief outline of the knowledge and skills being learned in the curriculum in your class this term.

English

The children need to focus on the following:

- Study a variety of fiction, non-fiction texts and poetry as a stimulus for writing.
- Plan, draft and write, edit and proof-read their own writing.
- Write information text based on topics – The Victorians and Geographical physical and human features.
- Increase the legibility, consistency and quality of their cursive handwriting in pen.
- Year 3 grammar (National Curriculum 2014).
- Year 3 spellings (National Curriculum 2014 states which spelling patterns and list of common exception words).
- Check the spellings of new words in dictionaries.
- Develop vocabulary through reading, and using a thesaurus.
- Completing the targets set in their assessment grids for writing

Maths

Our Maths emphasises the development of problem-solving skills using the powerful concrete-pictorial-abstract approach. The children need to focus on the following topics:

- Money
- Time
- Shape

- Consolidation of previous topics such as: Fractions, multiplication and division, etc.

Science

The focus this term is on the following topics:

- Light and shadows and Plants

In the rest of the curriculum we will be focussing on the following:

Computing	Computing systems and Networks – Journey of a File Data-Statistics
History	Local Area- Life in Victorian High Wycombe
Geography	Local Area- Why do people visit High Wycombe?
Art & Design	Growing Artists- Draw like an artist
Design & Technology	Cross stich and Applique
RE and World Views	What makes us Human? Where do our morals come from?
PSHE	Citizenship Economic Wellbeing
PE	Cricket Rounders Atheletics
French	What is the weather like? Daily Routines
